

ViTAM series

Full IP66/IP69K Stainless Steel Panel PC
Perfect Solution of Food, Hygienic Pharmaceutical Industry, and Outdoor Environment

SUS304/316(option) STAINLESS STEEL

Anti-Oxidation

Rugged Enclosure
Long Life Cycle

Anti-Corrosion

Non-Toxic

Low
Maintenance Cost

Easy to Clean

IP66/IP69K WATERPROOF

- Full-fledged protection from dust
- Enable to resist high temperature and high pressure water jet

- M12 connectors prevent the entry of the water

FEATURE HIGHLIGHTS

High Brightness LCD 

Optical Bonding 

Auto Dimming 

AR Coating 

Wide Range DC Power Input 

Support PCT/RTw/AR Glass

Multi-touch Screen 

RFID Function at Front Bezel 

PoE 

Wireless Communication 

Fanless Design
