

EPM-1502

eDP to VGA converter

- > Support VESA and CEA timing standards up to 1920x1200@60Hz with reduced blanking
- > Compliant with Embedded DisplayPort (eDP) specification version 1.3
- > VGA output is compliant with VESA VSIS v1r2 specification
- > Support analog RGB output for VGA with Triple 9-bit DAC up to 200MHz pixel rate

+ Spec

I/O	
Input Interface	40pin eDP
Output Interface	DB-15 VGA
Display	
Spec. & Resolution	1920x1200@60Hz with reduced blanking
Multiple Display	Depend on the Intel platform
Mechanical & Environmental	
Operating Temperature	Standard temperature 0°C ~ 60°C Wide temperature -40°C ~ 85°C
Storage Temperature	-40°C ~ +85°C
Weight	11g
Vibration Test	5G @5~500Hz
Dimension	50mm*50mm*10.55mm
Form-Factor	Customizes
Ordering Information	
Ordering Information	Standard temp. ordering PN: -EPM-1502-A1R Wide temp. ordering PN: -EPM-1502-A2R
