

## FABSSeries

Build Up the Standard of Food and Beverage Industry

APLEX FABSSeries is the solution for strict sanitary environment. It is capable of preventing food or other materials from contaminating with sand, dirt, mold or bacteria in the manufacturing process. Also, we devote ourselves to achieve food safety standard with EN 1672-2 certification for optional.

APLEX new generation food safety design HMI focuses on optimizing food & beverage, pharmaceutical & consumer packed goods processing operation.
